Secret Ravine Lipizzans is pleased to welcome back Rudolf Rostek for the fourth year of clinics in CA. For over 430 years the Spanish Riding School has been considered the epitome of classical dressage. Here is your opportunity to learn from a Bereiter of the Spanish Riding School as he instructs horses and riders of all levels and breeds.

The clinic format is 10 private 30 minute lessons per day. Please contact clinic organizer regarding riding slots. Auditors fee is \$20/day pre-registration or \$25/day at the door (walk-ins welcome but please bring a chair if you have not pre-registered).

New this year will be a Friday evening seminar where Rudi will demonstrate work in-hand, starting with young horses learning the first half steps through more advanced horses perfecting piaffe and passage. Please visit our web site to download auditors registration form, directions and rider schedule. Please, no dogs allowed at any of the events.
